Section 1 – Introduction

This directory provides a list of Kaiser Permanente Medicare Advantage (HMO) Group network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). To access the Kaiser Permanente Medicare Advantage (HMO) Group online provider directory, you can visit kp.org/wa/medicare. For any questions about the information contained in the online or print directory, please call Member Services at 1-888-901-4600 (TTY 1-800-833-6388 or 711), 7 days a week, 8 a.m. through 8 p.m.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

This directory is broken up into these sections so that you can easily search for a provider or facility near you:

Primary care provider (PCP)
You will have to choose one of our network providers listed in this directory to be your primary care provider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a health care professional who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP.

Your PCP will also coordinate the rest of the covered services you get as a plan member.

Specialty care
This chapter lists all Kaiser Permanente specialists, including those you may self-refer to and those that require a referral from your PCP. You can self-refer for specialty care to many specialists who practice at Kaiser Permanente medical offices. However, your PCP may need to get prior authorization from Kaiser Permanente for some referrals to specialists, services, and suppliers.

Mental Health Services
This chapter lists our mental health and chemical dependency service locations.

Urgent care
This chapter lists Urgent Care Center facilities. Use urgent care when you require immediate care and you cannot access your personal physician.

Hospitals
If you require hospitalization, your PCP will authorize your stay at a hospital listed in this chapter. In the event of an emergency, please go to the nearest hospital. You don’t need approval or a referral from your PCP. The emergency rooms listed in this chapter should only be used for medical emergencies, which usually involve severe illness or injury. Call your PCP or the Consulting Nurse helpline if you are unsure if your condition is an emergency.

Skilled nursing facilities
This chapter lists the skilled nursing facilities in Kaiser Permanente’s network.
Our care management nurses work with the doctor to authorize coverage for medically necessary stays in a skilled nursing facility. Although you may be seen by different doctors and nurses, your Kaiser Permanente care team will continue to monitor your care during your stay.

**Durable Medical Equipment Providers (DME)**

DME is defined as medically necessary equipment that is used to treat or manage a disease, injury, or disability at home, or in a long-term care facility. It includes equipment that is strong enough to be used over and over again, such as hospital beds, wheelchairs, walkers, insulin pumps, and blood glucose monitors.

Our Medicare Advantage HMO Group plans cover all DME that are covered by Original Medicare. Equipment must be selected from the brands and manufacturers listed. We will not cover other brands and manufacturers unless your doctor or other provider tells us that the brand is appropriate for your medical needs. The list of approved brands and manufacturers can be found in Addendum A of this directory.

The exclusive provider for Diabetes Management Durable Medical Equipment is Byram Healthcare.

For more information please call our Member Services Department at 1-888-901-4600. (TTY users should call 1-800-833-6388 or 711). Hours are 7 days a week, 8 a.m. through 8 p.m.

This list is current as of April 8, 2020. For the most current list and mail order services information, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

**Getting care from a non-plan provider**

Care or services you receive from a non-plan provider will not be covered, except for ambulance services, emergency care (including post-stabilization care), urgently needed care, renal dialysis (kidney), and any services that were covered through an appeals process.

If a non-plan provider asks you to pay for covered services you receive in these situations, please call Member Services. You should never pay any non-plan provider more than what the provider is allowed by Medicare.

Ask the non-plan provider to bill Kaiser Permanente first. If a non-plan provider bills you, you can send the bill to Kaiser Permanente and we'll pay for covered services. We will notify you of what, if anything, you must pay.

**Getting care outside of your area**

When you're a Kaiser Permanente Medicare Advantage (HMO) Group member, you have the peace of mind that comes with coverage for emergencies when you seek care at any licensed facility in the U.S. and abroad.
• If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital.

• If you need urgent care, call your doctor’s office during the day or the Consulting Nurse helpline after hours to make sure you don’t incur unnecessary expenses.

• If you’re admitted to a hospital, you or a family member must call the Notification Line at 1-888-457-9516 within 24 hours or as soon as reasonably possible.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente Medicare Advantage (HMO) will be responsible for the costs.

How do you find Kaiser Permanente Medicare Advantage (HMO) Group providers in your area?

You can find different kinds of providers in the different chapters of this directory. Each chapter is broken up alphabetically by city so that you can find a provider near you. You can also see a current list of providers online at kp.org/wa/medicare/providers.

Kaiser Permanente Medicare Advantage HMO

Durable medical equipment (DME): 2020 preferred brands and manufacturers

**What is durable medical equipment (DME)?** DME is defined as medically necessary equipment that is used to treat or manage a disease, injury, or disability at home, or in a long-term care facility. It includes equipment that is strong enough to be used over and over again, such as hospital beds, wheelchairs, walkers, insulin pumps, and blood glucose monitors.

**What does Kaiser Permanente cover?** Our Medicare Advantage HMO plans cover all DME that’s covered by Original Medicare. Equipment must be selected from the brands and manufacturers on this list. We will not cover other brands and manufacturers unless your doctor or other provider tells us that the brand is appropriate for your medical needs.

One exception is if you are new to one of our Medicare Advantage HMO plans and are using a brand of DME that is not on our list. In that case, we will continue to cover that brand for you for up to 90 days. During that time, you should talk with your doctor to decide what brand is medically appropriate for you after the 90-day period.

If our supplier in your area does not carry a particular brand or manufacturer, you may ask if they can special order it for you.

**May I get a second opinion or appeal a decision?** Yes. If you disagree with your provider’s decision about what product or brand is appropriate for your medical condition, you can ask for a second opinion or file an appeal. You or your provider can also file an appeal if you do not agree with the plan’s coverage decision.

**Need more information?** Your 2020 Evidence of Coverage provides details about your Medicare Advantage coverage and prior authorization requirements. See chapter 4, “Medical benefits chart (what is covered and what you pay).”

It also includes details about appeals. See chapter 9, “What to do if you have a problem or complaint (coverage decisions, appeals, and complaints).”

For additional information, call Kaiser Permanente Member Services at **1-888-901-4600 (TTY/TDD 1-800-833-6388)**, 8 a.m.–8 p.m., 7 days a week.
