Introduction

This booklet provides a list of Kaiser Permanente Medicare Advantage (HMO) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Kaiser Permanente Medicare Advantage (HMO)'s formulary.

Pharmacies

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Kaiser Permanente Medicare Advantage (HMO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed.

Mail order pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery service program. For refills of your mail order prescriptions, please contact us 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-245-7979 (TTY users should call 1-800-833-6388 or 711).

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Kaiser Permanente Medicare Advantage (HMO) through the facility’s long-term care pharmacy or another network long-term care pharmacy. To get more information please call our Member Services Department at 1-888-901-4600. (TTY users should call 1-800-833-6388 or 711). Hours are 7 days a week, 8 a.m. through 8 p.m.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Kaiser Permanente Medicare Advantage (HMO)'s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
For more information please call our Member Services Department at 1-888-901-4600. (TTY users should call 1-800-833-6388 or 711). Hours are 7 days a week, 8 a.m. through 8 p.m.

This list is current as of April 8, 2020. For the most current list and mail order services information, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
